

Columbine Hills Elementary Science Fair 2023 Registration Form

Calling all Young Scientists! The CHE Science Fair will be on Thursday, November 16.

All CHE students are eligible to participate. Fifth graders are required to participate.
All projects must conform to the CHE Rules and Guidelines.

Review the rules and guidelines in the Handbook here:

USE ONLY THIS LINK FOR GUIDELINES

https://docs.google.com/document/d/1YH7wacYFwv5DoAsce50mCU_mCF127rFmoRVsaJ4VCHY/edit

Email columbinehillspta@gmail.com for a printed copy of the rules and guidelines.

If you are interested in participating, please fill out the form below. Return the form by **Monday, October 23**.

Your project will be reviewed by the Science Fair Committee to make sure it conforms with the rules.

You will receive an email with project approval and more details about the science fair.

If you want help coming up with an experiment, please reach out to your teacher, Mrs. Blackwell (jblackwe@jeffco.k12.co.us), or the PTA (columbinehillspta@gmail.com).

We all love helping young scientists!

Student Name: _____
