Message From the Principal

Dear Columbine Hills Community,

As we begin to wrap up the year, there are so many fun events to look forward to! On May 2nd, the entire school will participate in our annual Tech Trek! This is our one school sponsored fundraiser that we do each year to raise money for technology at CHE. 100% of all donations go directly to the school for improving the technology in our classrooms. We truly appreciate everyone’s support in helping us improve our technology resources at CHE!

Field Day will be a two day event this year. Our Kindergarten, 1st, 2nd and 3rd grade students will participate in field day on May 8th and our 4th, 5th and 6th graders will participate in field day on May 9th. We look forward to seeing you at CHE for field day.

It has been so exciting to watch all of our CHE students make so much progress this year. We will celebrate our Kindergarten students at their graduation ceremony on May 23rd at 6:00 pm and send off our amazing group of 6th grade students at their continuation ceremony on May 24th at 1:30 pm. Our last day of school is on May 25th with dismissal at 12:15 pm.

This year has gone by fast and it seems like the first day of school was not long ago. Our students have made amazing growth, and we are so proud of their accomplishments. It continues to be an honor to support the students, staff and community at CHE. I look forward to serving this amazing community again next year. We would love any feedback you have for us as we continue to make CHE a school focused on supporting each and every student. Please feel free to send me an email or contact me at (303)982-5540.

We wish you a wonderful and safe summer!

Sincerely,

Mrs. Wilson
Principal
Future 6th Grade Transition to Middle School

As some of you may have already heard, Columbine Articulation Area is moving forward with the plan that our 6th graders will be moving to KCMS beginning the 2018-19 school year. Our School Accountability teams have been discussing the district timeline for sharing this communication and a design committee was put in place at KCMS as construction plans were ready to begin. During the school board meeting on April 20, the facilities department asked for reserves to do additions to Drake and Dunstan. As a result, Ken Caryl construction will be placed on hold while the district waits to learn the outcome of the state budget for the upcoming fiscal year. The Design Advisory Group work will continue knowing additions are needed in order to accommodate the area 6th graders at Ken Caryl. As more information becomes available, we will keep you informed.

Know Brainer Bowl

Congratulations to our 4th and 5th grade students who participated in the “Know Brainer Bowl” on April 8th sponsored by the Littleton Optimist club. Our team did an excellent job putting their brains to the test during this knowledge bowl. Thank you to Mrs. Bettmann and Ms. McIntyre for leading our CHE team. Great work and congratulations to:

Day Without Hate

On Friday, April 21st, Columbine Hills Elementary kicked off our Day Without Hate week with some special guests from the Wizard of Oz! Columbine High School students: Jackson Garske (scarecrow), Katie Harvey (Dorothy), Lauren Sayers (Glinda), Dillion Mercer (Tin Man), and Jackson Wehrli (Lion) shared important character traits through the eyes of the characters from the Wizard of Oz. Students at Columbine Hills Elementary focused in on one character each day to promote unity and respect in our school. A special thank you goes out to Rebecca Harris for developing and helping to bring this wonderful assembly to our school!

Superintendent Search Update

As many of you know, Jefferson County Schools is in the process of hiring a new superintendent. Ray & Associates, the firm hired to help with the search, received 69 applicants to the Jeffco Public Schools superintendent job posting. The firm pushed forward 11 candidates for the Board of Education to review. On April 20, the Board of Education decided to move six candidates forward to the in-person interview level. All six candidates are from different states; one is from Colorado. Five have been or are currently superintendents; one is currently an assistant superintendent. Interviews will take place over the next ten days and then a final candidate or candidates will be made public. The Board hopes to select a new superintendent in May.

Public Health Announcement

Jefferson County Public Health has asked us to share information with our communities about the rise in the number of skunks with rabies found in Jeffco. So far in 2017, nine skunks have tested positive. JCPH would like to remind you to vaccinate your pets and livestock, or ensure those vaccinations are up to date.
