Message From the Principal

Dear Columbine Hills Community,

The beautiful colors of fall let us know that October is here! Teachers are looking forward to parent/teacher conferences to share the growth we have seen already in our students this year. Conferences are a great time to continue to build that partnership with your child’s teacher at parent/teacher conferences. This is a great time for you to ask questions about your child’s progress and how we will work together to support your child in learning. Conferences will be held on Wednesday, October 10th and Thursday October 11th. Sign-up Genius links will be posted on the CHE website for you to sign up for a time to meet with your child’s teacher.

Please join us for our School Accountability meeting on Tuesday, October 4th at 5:30pm in the library. PTA will follow at 6:30pm. Childcare will be provided for both meetings.

Safety is always a top priority at Columbine Hills and during the month of October we will be practicing a lock-down drill. During this drill students practice emergency procedures as if there was an intruder inside the building. Students learn the procedure of “Locks, Lights, Out of Sight”. We will be doing this drill with the support of the Jefferson County Sheriff’s Department. As a reminder, we ask all parents and visitors to sign in at the office and be buzzed in at the front door. We appreciate your support with ensuring a safe and secure learning environment for our students.

continued...
Message From the Principal, continued...

As your principal, I continue to strive for a successful experience for your child. I look forward to seeing you all at the many fun events we have planned this month. I always welcome any questions, concerns or comments you have. Please feel free to send me an email or contact me at (303)982-5540.

Sincerely,
Christa Wilson
Principal
“Aiming for Success, Believing…Together We Can”

Official Count Day!

Mark October 2 on your calendar – it’s October Count! The most important action you can take to support school funding is to make sure your student attends school that day. Much of public education funding from the State of Colorado is based on student count, and the official student count day this year is October 2.

The “count window” the state observes is September 26 - October 10, and the key student count day is Monday, October 2. Please help us ensure all our students are accurately counted by having your student in class that day! If your child must be absent on October 2 due to serious illness, call our attendance line, 303.982.5540 to report the absence. Attendance during the “count window” will help counteract an absence on October 2, but it’s best to come to school that day.

Thank you for your supporting Columbine Hills Elementary School!
Halloween Parade and Parties

We are looking forward to our Halloween parade and parties on Wednesday, October 31st. The parade will start at 8:30 am and will be outside. We ask parents to line up outside near the basketball courts on the west side of the building to watch. Classroom parties will begin after the parade. Students should wear their costumes to school. **Please be sure to send a change of clothes for your child after the party.** Parties will end at 10:00 am. Parents, if you are planning on attending this event, please make sure you sign in at the office.

Halloween costumes need to adhere the following expectations:

1. Costumes should follow the Student Dress Code Policy found in the CHE parent/student handbook.
2. For safety reasons, masks should not be worn.
3. Toy Weapons (Toy or facsimile guns, knives, swords, bats, etc.) are **not allowed**.
4. Costumes that are overly graphic, promote violence or otherwise might logically be assumed to be offensive to others are not acceptable.

"No Paws Please"

Just a friendly reminder of our “No Paws” policy at school between 7:00am -6:00pm. Pets are not allowed on school grounds when students are on campus due to allergies and the unpredictability of animals. Signs are posted on the edges of our campus. We appreciate your help in keeping our students safe.
School Accountability Team

The school-level accountability committee (SAC) serves in an advisory role to the school principal. The school’s principal is ultimately responsible for ensuring compliance with all Federal, State and District requirements and meeting the academic performance expectations defined by Jeffco Public Schools. We are looking for parents who are willing to partner with the school as we plan and work towards our goals for the 2018-2019 school year.

Partnership and Volunteers at Columbine Hills Elementary!

The great redwoods of California are one of the beautiful natural wonders of North America. These giant evergreens can grow to a towering 300 feet tall and live for hundreds of years. For all their magnificence, one would think the redwoods would require a deep root system to keep them upright. Instead, they have roots that spread out along the surface of the forest floor to capture all the moisture possible, intertwining with the roots of other redwoods in the grove. The interlocking roots securely support and sustain these giant sequoias when storms strike and fierce winds blow. The trees' survival depends on the combined support of one another.

Like the redwood trees, a system of support and partnership is an important part of making a school community thrive and grow. At Columbine Hills, we continue to work to build strong partnerships with parents and community members. The parent and school partnership is a vital part of making a school thrive and supporting our students. There are many opportunities for parents to build this partnership at CHE. PTA, School Accountability Committee, and the Healthy Schools Committee are just a few. We know that when we support one another and encourage one another, we become strong together and like the giant redwoods, we keep growing taller.

We are always looking for parent volunteers to help out at Columbine Hills Elementary. If you are interested in being a volunteer this year, please contact your child’s teacher. We do ask that you complete a volunteer confidentiality form this year. These are available in the front office or through your child’s teacher.
Watch D.O.G.S

We are off to a great start with the Watch D.O.G.S. (Dads of Great Students) program at Columbine Hills this year! This national program is an innovative father involvement, educational initiative of the National Center of Fathering. There are two primary goals of the WATCH D.O.G.S. program.

1. To provide positive male role models for the students, demonstrating by their presence that education is important.
2. To provide extra sets of eyes and ears to enhance school security and reduce bullying.

WatchDOGS are fathers, grandfathers, uncles, and other father-figures who volunteer for at least one day each school year. During the day, WatchDOGS may read and work with students, each lunch with students, watch school entrances and hallways, assist with traffic flow and other assigned activities where they will actively engage with not only their own child, but other students as well.

Thank you to the CHE PTA that dedicated funds to help us start up this program at CHE. Please visit the program website at www.fathers.com/watchdogs for more information. Please contact the main office to find out how you can volunteer to be a WatchDOGS dad at Columbine Hills.

Jeffco Bond and Mill Ballot Initiatives

At a special meeting of the Board of Education on 8.23.18, the Board took actions for the ballot in November. For more information about how Jeffco would use resources from a statewide effort called Amendment 73, and what you can expect from two local ballot efforts – a mill levy override and a bond, please visit: jeffcopublicschools.org/futurefunding

You can also read a message from Dr. Glass regarding the issue at www.jeffcopublicschools.org/news/recent_news/jeffco_publicSchools_is_on_the_ballot

Read the Columbine Hills fact sheet included in this month’s Hoofprints to see how bond funds would impact our school.
Hearing / Vision Screeners Wanted!!

We’re looking for people who enjoy working with children of all ages and who want to help them do their very best in school. You will be visiting a new school most days, helping the district Nurses and Health Room aides to screen Jeffco students for any vision or hearing issues. All student information must be kept confidential.

North area

Hours: 7:30am -2:30pm (this includes driving time – work time is 6 hours per day)
Monday – Thursday – some Fridays
Sep – Dec
Approx. $10 per hour PLUS mileage to and from school sites

If this sounds like a great fit, then please apply on Teacher Match!  https://platform.teachermatch.org

Job ID# 50317
BUG Awards

Once again this year, CHE will be continuing our BUG Awards program that began a few years ago! BUG stands for “Bringing Up Grades!” It is sponsored by the Breakfast Optimist Club of Littleton. Every homeroom teacher will select one student a month to receive the award. Selection is based upon academic improvement and/or increased effort, improved or good attendance and good citizenship. Each selected student receives a “BUG” t-shirt, a “BUG” pencil and a certificate.

The following students were selected by their homeroom teachers to receive the BUG (Bringing Up Grades) Award. Congratulations to the following students who were chosen for the BUG award for September 2018:

Kindergarten:  Josiah Montoya (Ms. Baltazar’s class)
                Connor Schuster (Mrs. Blackwell’s class)
Grade 1:       Gabe Riffel (Mrs. Ensminger’s class)
                Kristina Tsuber (Ms. Johanson’s class)
Grade 2:       Josie Ellis (Mrs. Bawden's class)
                Sophina Wells (Mrs. Hart's class)
Grade 3:       Dexter Fischer (Mr. Capansky’s class)
                Brayden Lynch (Ms. Kirkland’s class)
Grade 4:       Nadeem Jankowski (Mrs. Bettmann's class)
                Grace Anderson (Mrs. Sarcletti’s class)
Grade 5:       Alex Rodriguez (Mrs. Tapsfield's class)
                Anthony Heit (Ms. McIntyre’s class)
Grade 6:       Kayla Van Aller (Mrs. Bower’s class)
                Roman Smialek (Mrs. Buckland’s class)
Writer of the Month Awards

Congratulations to the following students who were selected as the Writer of the Month for September 2018 by their teachers. Their writing will be displayed in the front entry for everyone to read:

Kindergarten:  Caleb Robinson (Ms. Baltazar's class)  
                Graylin Jensen (Mrs. Blackwell's class)
Grade 1:       Levi Prage (Mrs. Ensminger’s class)  
                Maya Hinojos (Ms. Johanson's class)
Grade 2:       Gavin Kubin (Mrs. Bawden's class)  
                Emily Dillon (Mrs. Hart's class)
Grade 3:       Madison McCormick (Mr. Capansky’s class)  
                Elliott Prage (Ms. Kirkland’s class)
Grade 4:       Corbin James (Mrs. Bettmann's class)  
                Addison Siecker (Mrs. Sarcletti’s class)
Grade 5:       Lilly Girard (Mrs. Tapsfield's class)  
                Kane Dillon (Ms. McIntyre’s class)
Grade 6:       Hunter Zuver (Mrs. Bower’s class)  
                Alex Grooms (Mrs. Buckland’s class)
SAVE THE DATE!

"Canvas & Kids" is Returning to CHE!

Who: CHE families are invited to paint their own masterpiece with guided instruction from Mrs. Boyles!

What: Cost will be $25/per painter (ages 6+) & $15/per additional painter. Price includes all painting materials, instruction, refreshments, & your very own "fall themed" 12x16 canvas painting to take home!

When: Thursday, October 18th from 6:00pm-8:00pm
Where: Columbine Hills Cafeteria

**This is a pre-paid event. Registration forms will be sent home in Monday folders on October 8th. Registration fee of $25/per painter (plus $15/per additional painter) will be due by October 12th. First come, first serve, as we only have space for 34 painters.**
Columbine Hills Elementary

Wednesday, October 10th

Why walk to school?

✔ It’s Fun!
✔ Promotes Healthier Habits
✔ Supports a Cleaner Environment
✔ Promotes Safety Measures
✔ Boosts Community Connections

*Walk from your home, or start from just down the block. End at the sidewalk in front of the school for water and a walk to school sticker.
**CAREERS START HERE!**

continued...
Ballot Question 5A
Factual Information

WHAT IS A MILL LEVY OVERRIDE?
A mill levy override is a voter-approved property tax that provides funds for the school district's general fund. These funds go to our local schools and not to the state.
The Board of Education has approved a $33 million mill levy override ballot question (adjusting annually for inflation) that will appear on the ballot as question 5A.

WHAT IS THE TAX IMPACT?
Residential: $2.10/month per $100K in value
- $300K home = $6.31/month
- $500K home = $10.52/month
Non-Residential: $8.47/month per $100K in value
- $300K property = $25.41/month
- $500K property = $42.35/month
*Figures are approximations based on available data.

RESTRICTIONS & ACCOUNTABILITY
- No revenue will be used for senior district administration
- The spending will be reviewed by the citizen's Financial Oversight Advisory Committee
- The funds are subjected to an annual independent audit

MILL LEVY OVERRIDE USES FROM BALLOT QUESTION 5A
- Expanding programs in science, technology, engineering & math (STEM) & in career/technical education
- Attracting & retaining high quality teachers by ensuring the district is able to be competitive in compensation & benefits for teachers & staff
- Improving student safety by increasing mental health & counseling professionals & improve student mental health services, including suicide prevention & substance abuse counseling
- Updating aged & outdated instructional resources such as books, supplies & technology
- Increasing early education programs

ARGUMENTS MADE FOR BALLLOT QUESTION 5A
Jeffco Public Schools is underfunded compared to surrounding districts. 5A will help Jeffco compete for quality teachers and staff.
5A will expand STEM and career/technical education, preparing students for college and the workforce.
These funds support students, classrooms, and schools—keeping them safe. 5A has strong oversight/accountability provisions.

ARGUMENTS MADE AGAINST BALLLOT QUESTION 5A
Jeffco's teachers and staff already receive competitive wages compared to other districts and similar private sector jobs.
This measure imposes an additional tax burden on property taxpayers without any guarantee of increased academic achievement.
Jeffco Public Schools already has all the money it needs and should make do with what it already receives.

continued...
Ballot Question 5B
Factual Information

WHAT IS A BOND?
Bonds are a voter-approved method of borrowing funds that are used for local school and district capital construction projects.

The Board of Education has approved a $567 million bond ballot question that will appear on the ballot as question 5B.

WHAT’S THE TAX IMPACT?
$567 MILLION PROPOSAL

Residential: $1.81/month per $100K in value
• $300K home = $5.42/month
• $500K home = $9.03/month

Non-Residential: $7.28/month per $100K in value
• $300K property = $21.84/month
• $500K property = $36.40/month
*Figures are approximations based on available data.

RESTRICTIONS & ACCOUNTABILITY
• The funds cannot be used for senior district administration.
• The spending of these funds is overseen by the citizen’s Capital Asset Advisory Committee.
• The funds are subject to an annual external audit.

BOND USES FROM BALLOT QUESTION 5B
• Adding & expanding career/technical education facilities
• Upgrading safety & security in school buildings
• Repairing, renovating, equipping, or reconstructing school buildings to ensure all schools are more safe, efficient & accessible to all students, including those with disabilities.
• Constructing, furnishing, equipping & supporting needed school buildings & classrooms at all types of schools, including schools chartered by the district.

To see the needs & plans for every school, view the Facility Fact Sheets at www.jeffcopublicschools.org/futurefunding.

ARGUMENTS MADE FOR BALLOT QUESTION 5B
Jeffco's last major investment in its schools was 14 years ago. The district has $1.3 billion in needs. It is time to reinvest in our schools.
These bond funds will keep our neighborhood schools attractive and competitive and keep Jeffco a great place to raise a family.
SB funds will make all schools safer, better for learning, and more efficient.

ARGUMENTS MADE AGAINST BALLOT QUESTION 5B
Jeffco taxpayers will have to pay this debt off for 20 years, including interest—burdening property owners and businesses.
Dollars are being allocated to schools with low enrollment that should just be closed. The proposal is inefficient and wasteful.
Transparency on where these dollars would be spent and how they are accounted for is weak.

continued...
Colorado Constitutional Amendment 73

WHAT IS AMENDMENT 73?
Amendment 73 is a statewide Constitutional Amendment that would increase state taxes by $1.6 billion annually to fund PreK-12 public education and create an exception to the single rate state income tax for revenue that is dedicated to the funding of public schools. It requires 55% statewide voter approval to pass. Specifically, Amendment 73 would:

- Increase income tax rates incrementally for individuals, trusts & estates using four tax brackets, starting at 3.77% for income above $150K and increases to 3.62% for income above $500K
- Increase corporate income tax rate 1.37%
- Reduce current residential assessment rate of 7.2% to 7.0% & current non-residential assessment rate of 29%/to 24% for purposes of school district property taxes
- Require revenue from income tax increases to be deposited in a dedicated public education fund, allowing revenue collected to be retained & spent as voter-approved revenue changes
- Require the legislature to annually appropriate money from the fund to school districts to support PreK-12 public educational programs on an equitable basis throughout the state without decreasing general fund appropriations
- Direct the legislature to enact, regularly review & revise when necessary, a new public school finance law that meets specified criteria
- Require money in the fund to be annually appropriated for specified education programs & purposes until the legislature has enacted a new public school finance law
- Require money in the fund to be used to support only public schools
- Require general fund appropriations for public education to increase by inflation, up to 5%, annually
- Require the Department of Education to commission a study of the use of the money in the fund within five years

WHAT WOULD THIS MEAN FOR JEFFCO PUBLIC SCHOOLS (ESTIMATED)?
- $1,609 additional per pupil, each year
- $134 million annually

HOW WOULD JEFFCO PUBLIC SCHOOLS USE THESE DOLLARS?
- Attracting & retaining quality teachers & staff
- Additional programs & services for students (career/technical, college preparation, arts & music & more)
- Addressing class size & staffing shortages
- Early childhood education & full-day kindergarten
- Targeted supports for:
  - Gifted & Talented
  - Special Education
  - At-Risk Students
  - English Language Learners

To learn more about Amendment 73, register to vote, or learn about other ballot measures and elections, please visit: www.sos.state.co.us/pubs/elections/

ARGUMENTS MADE FOR BALLOT AMENDMENT 73
One of government’s most important functions is to provide children with a high-quality education. Colorado’s economy is one of the strongest in the nation and now is the best time to invest.

Addressing chronic underfunding and investing in public education supports a prepared workforce; safe and healthy communities; a vibrant economy; and the next generation of leaders, entrepreneurs, and care takers.

All Colorado students and schools benefit through increases to base funding, full-day kindergarten, at-risk, ELL, special needs, and gifted and talented programs. Dollars are under control of your locally elected school board.

ARGUMENTS MADE AGAINST BALLOT AMENDMENT 73
Amendment 73 is a $1.6 billion tax increase that may impede economic expansion. Increasing state income taxes reduces the money households have to spend/save, resulting in declining consumer spending and overall economic activity.

This measure imposes an additional tax burden on state taxpayers without any guarantee of increased academic achievement.

Graduated income tax decreases productivity. As a person’s income rises, the percentage of their income they take home decreases because the marginal tax rate increases. It will drive wealth out of the state.

September 13, 2018
Sponsorship space in this newsletter is extremely affordable! Reach parents in your local community & a significant portion of your investment goes back to the school! Businesses that want to sponsor this school, please contact TSCA at info@tscaschools.com or 970-239-1641.
Jeffco Healthy Schools
Family and Classroom Shared Food Resource

Overview
As required by law, Jeffco’s Wellness Policy and Guidelines include standards for foods shared during the school day starting in 17/18 unless otherwise noted.

Why?
- Improve Nutrition
- Address Allergies
- Promote Equity
- Protect Family Decisions on Food

1/2 Healthy

The foods we share can teach students about nutrition and balance.

To define healthier options, schools can:
- Follow district definition in the Guidelines
- OR
- Create and document their own definition

Holiday Celebrations
If food is offered at school celebrations, at least 1/2 should include healthier options.

Schools or classrooms can also opt for no food or only healthier food!

Ideas for Implementation:
- Inform teachers and parents about providing balanced options for celebrations
- Create a sign-up sheet that includes at least 1/2 healthier options (don’t forget to address allergies)
- Determine other non-food options for celebrating

Rewards
Schools will not use food or beverages as rewards for academic performance or good behavior.

Individual exemptions are allowed with approval of school leadership

Ideas for Implementation:
- Utilize non-food rewards for the whole class, such as extra physical activity or recess time, games, a fun dress-up day, playing music
- Limit individual rewards and focus on clear expectations and positive words for all students
- Utilize other rewards such as being a line leader, sitting with a friend, choosing a movement break or game, additional work credit

Birthdays
Starting in 2018-19 (or sooner), student birthdays should only be recognized with non-food celebrations.

Many schools already have similar policies in place.

Ideas for Implementation:
- Clearly communicate these standards with families and consider engaging family groups
- Determine other non-food options for celebrating birthdays
- Ask families to not bring in food to share (this does not apply to food for individual consumption)

Any other shared food should be selected judiciously, taking into consideration the nutritional value of the food being served, Jeffco’s goal of promoting healthy dietary habits, and the frequency of use.
