Message From the Principal

Dear Columbine Hills Families,

Happy New Year! I hope everyone had a restful and relaxing winter break. The CHE staff is looking forward to welcoming back students on Wednesday, January 9th. We are excited for the start of 2019.

"Tomorrow, is the first blank page of a 365 page book. Write a good one." ~ Brad Paisley

As we welcome in the New Year, the CHE staff will continue to capture our story through revisiting our goals and course of action to ensure we are providing the best learning environment for our students. We will continue our work to ensure that students have a clear understanding of what they need to know, understand and be able to do in order to be successful and meet learning objectives. We know that when students are able to articulate the skills and strategies they need in order to be successful, they are able to achieve and grow. We have reviewed and analyzed all of our mid-year assessment data to plan and adjust for the second part of our school year, ensuring that ALL students are successful. Your child’s mid-year assessment results will be sent home in Monday folders in January.

CHE School Accountability Meeting

The School Accountability Meeting for CHE will be January 10th at 5:30 pm in the conference room. We will be discussing our priorities for the 2018-2019 school budget and sharing our progress towards our school goals. The school-level accountability committee (SAC) serves in an advisory role to the school principal. The school's principal is ultimately responsible for ensuring compliance with all Federal, State and District requirements and meeting the academic performance expectations defined by Jeffco Public Schools.

Columbine Articulation School Accountability Meeting

On January 14, 2019 you are invited to attend a Columbine Area SAC meeting beginning at Columbine High School at 6:30pm in the library. All Columbine Area schools will share school celebrations and an update of our work together as the Columbine Area. Dr. Glass, our superintendent, will be joining us to share the positive impact that Jeffco will receive with the passing of the Bond and Mill Levy. Thank you Jeffco voters!

Winter Weather

Winter is here! Please make sure your child is warm clothing. We know that the weather can change during the day, so please send coats, hats, boots, etc. We will be going outside for recess unless it is below 20 degrees or if there is precipitation. Please plan ahead on snow days and allow extra time to get to school so your child can be on time.
COLUMBINE HILLS ELEMENTARY 2019-2020 INFORMATION NIGHT

Columbine Hills Elementary will begin Kindergarten and Choice Enrollment on January 22, 2019 for the 2019-2020 school year. We will be offering a fee-based, full day kindergarten class for $300.00 a month and a half day class which is free. Our CHE information night will be held on January 9th at 6:30 pm. If you know of any families that would be interested in attending, please have them call the school office. If you have any questions, please call our office at 303-982-5540.

This year, Jeffco Public Schools have a new enrollment system: EnrollJeffco. The SchoolFinder opened on December 17th, if you are interested in browsing various schools. Open enrollment on EnrollJeffco will happen from January 22, 2019 through February 8th. Please take time to ensure your address, phone number, and email address are correct in JeffcoConnect. In January the district will be preparing for next year’s enrollment and this information is important for the proper assignments to be made. If you have any other questions, please read more at the EnrollJeffco page or contact the main office here Columbine Hills Elementary.
Student Attendance

Parents are to call the Columbine Hills attendance number before 8:00 a.m. to report a student's absence. This is a 24-hour voice mailbox so you can leave a message any time, day or night. It is a parent's responsibility to notify the school regarding a student's absence. If we do not hear from a parent regarding an absence, the attendance secretary will make every effort to contact the parent to establish the student's whereabouts. The absence will be marked as unexcused if a phone call from the parent/guardian is not received within 24 hours of the absence. To ensure safety, in the rare instance that a parent cannot be contacted, the Jefferson County Sheriff's Department may be asked to help locate the child.

Watch D.O.G.S

Our Watch D.O.G.S program continues to be a huge success! There are two primary goals of the WATCH D.O.G.S. program.

1. To provide positive male role models for the students, demonstrating by their presence that education is important.

2. To provide extra sets of eyes and ears to enhance school security and reduce bullying.

WatchDOGS are fathers, grandfathers, uncles, and other father-figures who volunteer for at least one day each school year. During the day, WatchDOGS may read and work with students, each lunch with students, watch school entrances and hallways, assist with traffic flow and other assigned activities where they will actively engage with not only their own child, but other students as well. Please visit the program website at www.fathers.com/watchdogs.

We thank everyone who has already been a WATCH Dog this year. If you would like to hear more about the program, please contact the main office. The WatchDOGS signup is available on our school website. Get signed up to be a WÂATCH Dog during our second semester!
Congratulations to our 2nd and 3rd graders who participated in First LEGO League Jr. Expo on Saturday, December 8th. These students participated in an afterschool club for twelve weeks learning about scientific research, model building, and teamwork. The teams presented their “Show Me” posters and models at the expo. This year’s theme was Mission Moon. This opportunity would not have been possible without our CHE parent, Colin Shisler, who organized and ran this afterschool club along with our outstanding volunteers: Steve Rericha, Mark & Ruth Brown, Tom Snow, and Julie Avila.

Our most recent music lessons have involved reflection on our job as performers and audience members, and the students have done a great job of celebrating their success and delivering constructive criticism to improve our next performance.

Our next concert is coming up incredibly quickly after the holiday break.

Emergency Situations at School
Information for Families

Jeffer Public Schools is committed to ensuring the safety and security of its students, staff, and visitors. Take a moment to review this guide to ensure you are prepared in the event of an emergency situation at school.

What are the types of actions a school might take in the event of an emergency?

- **LOCKDOWN** Ordered when there is a threat INSIDE the building. Students and staff are secured in the school. Staff does not communicate during a lockdown. Parents are not allowed on site during a lockdown.
- **SHELTER** Called for when Personal protection is necessary from dangerous weather conditions such as a tornado, blizzard, or hail. May also be ordered in the event of a hazmat situation in the area.
- **EVIATION** Ordered when people must exit the building due to unsafe circumstances. If student pick up or off-site reunification is required, instructions will be communicated by the district.
- **LOCKOUT** Ordered when there is an issue OUTSIDE the building, most often police activity in the area that could pose a threat, or a wild animal nearby. All exterior doors are locked and “business as usual” continues inside the school.
- **HOLD** New in 2017, “Hold in your classroom” is used when there is an issue in a specific part of the building that is under control, but not yet fully removed. Business as usual within the classrooms; doors closed.

What do I need to know, do, and not do?

- If you’re at a school and an emergency occurs, follow protocol with students and staff.
- We know families want information right away. Our experience has taught us initial information is almost always incorrect. Please know, our security and administrative staff are working hard to determine what the real situation is and will communicate with families as soon as information is verified as accurate and next actions have been determined.
- Do not call the school or security staff, as they are working on the situation and ensuring your student’s safety. Do not go to the school; this may interfere with procedures. Only public safety personnel will be allowed in/near a school during an emergency situation.
- We understand you may want to communicate with your student during an emergency, however, please refrain from calling; it may prevent him/her hearing important, possibly life-saving, instructions.
- It is vital parents and guardians keep their information updated in JeffCoConnect. We will utilize email, text messaging, and phone calls to communicate with you.
- The fastest way to get information in an emergency situation is to follow us on Twitter (@JeffCoPublicSchoolsCO) and Facebook (@JeffCoPublicSchoolsColorado). It is our first and fastest means of getting messages out. Also, check our website for alerts posted on the main page.

www.jeffcopublicschools.org

if you have questions regarding our district emergency procedures, contact 303.982.6808.

Some situations may require a combination of actions above.
School/district staff train yearly on emergency protocols and situation management.
Students take part in drills throughout each school year.

What emergencies might impact a school? Which actions are taken?

Severe Weather - Schools may shelter until weather passes; could delay release of students at end of day until safe to exit building.

Threat of Violence or Weapon on a Person - Lockout, Lockdown, or Evacuation, depending on the situation.

Police Activity in the Area - Usually a Lockout; action may be taken at the direction of law enforcement or any staff member at the school.
